ADDRESS BY EX-GOVERNOR O. B. COLQUITT

Speaker Stevenson introduced Hon. O. B. Colquitt, ex-Governor of Texas.

Mr. Colquitt addressed the House.

TO DESIGNATE GOLD STAR WORLD WAR MEMORIAL HIGHWAYS

Mr. Pope offered the following resolution:

H. C. R. No. 20, To designate Gold Star World War Memorial Highways.

Whereas, The State of Texas contributed 5,167 heroes to the World War in 1917 and 1918; and

Whereas, Many lonely and bereaved Gold Star Mothers of our beloved Texas have passed on since 1918 to join their brave lads who died in the

World War, many more are lying on beds of sickness at home or in hospitals, those later, would be comforted to know that their sons' memory will be immortalized in bronze by the loyal and patriotic Governor, Highway Commissioners and Members of the Legislature of the Grand Old Lone Star State of Texas; and

Whereas, In 1926 Governor Pat Neff and the Highway Commission of Texas, set aside and designated State Highway No. 6 as Gold Star Highway Memorial, but such highway is not great enough to accommodate the large number of deceased World War heroes, and by the use of this highway alone the individual tablets, or shrines for the Gold Star Mothers would be too close together and too far from many poor, bereaved mothers in the Western and other distant parts of the State; and

Whereas, State Highway No. 1, which bisects said State Highway No. 6, appears the most suitable and makes more accessible a tablet for each Gold Star Mother in districts far removed from said Highway No. 6; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That said State Highways Nos. 1 and 6 be, and the same are hereby, set aside and designated, respectively, as Gold Star World War Memorial Highway No. 1, and Gold Star World War Highway No. 6, and that the Governor of Texas issue and publish her proclamation on November 11, 1934, so declaring such designation; that for present economical reasons, the State's five-point road marker star be retained and painted yellow until at a later time the State may decide to substitute imperishable bronze tablets, or markers, one for each Gold Star Veteran and his Mother, both names to be inscribed on the tablet; that at the Gold Star Cross-Road at Dallas, a beautiful Gold Star Light be erected, now or at a later date, as soon as practicable; in the base of which bronze tablets, bearing the names of the Governor of the State of Texas, members of the State Highway Commission, date of office, and other important State officials be inscribed. These Gold Star World War Memorial Highways be dedicated on November 11, 1934, as a tribute and comfort to the Gold Star Mothers and Fathers, who could then make a pil-

grimage to their son's monuments and carry with them as they go on their daily shorter journey of life the joy of knowing that the great State for which their "boys" gave their young lives, was loyal to their memory. That any county or organization or patriotic citizens, or any individual, may erect a Memorial Flag Pole, along the highway, in the section set aside for that particular county. Blue prints of the War Biography Tablet and symbol of the Gold Star worn by the mothers, and placed on the window Service Flags, 1917-18, may be furnished without charge to the Governor and Highway Commission, by the National Society 1917 World War Registrars, Incorporated.

The resolution was read second time, and was adopted.

TO PROVIDE FOR THE APPOINTMENT OF CERTAIN COMMITTEES

Mr. Scarborough offered, for consideration at this time,

Resolution relative to the appointment of a committee to investigate the violations of oil conservation and proration laws;

The resolution having been printed in the House Journal on Monday, September 17.

The resolution was read second time.

On motion of Mr. James, the resolution was referred to the Committee on State Affairs.

INVITING MISS HAZEL BECKMAN TO ADDRESS THE HOUSE

Mr. Mackay offered the following resolution:

Whereas, The Forty-second Legislature enacted a bill creating a Commission for the Blind, whose purpose is to care for adult blind over twenty-one (21) years of age, heretofore unprovided for legislatively; and

Whereas, This work has grown beyond expectation, developing many fields of occupation for this unfortunate people whereby they may become self-supporting; and

Whereas, The scope of this work is largely unknown to the general public and also to many fellow Members of this Legislature; now, therefore, be it

Resolved, That Miss Hazel Beckman, executive secretary of said Commission for the Blind, be permitted to address the House for a few minutes at her convenience on this matter.

MACKAY,
HOLEKAMP,
STOVALL,
PARKHOUSE,
HARTZOG,
GRIFFITH.

The resolution was read second time, and was adopted.

TO GRANT AMERICAN LEGION PERMISSION TO USE CER- TAIN QUARTERS

Mr. Moffett and Mr. Riddle offered the following resolution:

Whereas, The quarters of the American Legion are now located in one of the State departments, and are very crowded and inconvenient; and

Whereas, The activities of this patriotic organization are continuous and constant, and directed toward the welfare of those who fought in the service of their country; and are, therefore, deserving of the highest consideration; therefore, be it

Resolved, That the House of Representatives tender the use of such quarters as can be made available not to exceed two rooms for the use of the American Legion until further notice by this or succeeding Legislatures.

MOFFETT,
RIDDLE,
HOSKINS.

The resolution was read second time.

Mr. Burns raised a point of order on further consideration of the resolution at this time, on the ground that the time for the consideration of resolutions has expired.

The Speaker sustained the point of order.

HOUSE BILL NO. 67 ON SECOND READING

On motion of Mr. Hartzog, by unanimous consent, the regular order of business was suspended, to take up and have placed on its second reading and passage to engrossment,

H. B. No. 67, A bill to be entitled "An Act authorizing cities and towns with a population of more than one thousand and located on the coast of Texas, or any bay, gulf or inlet, and in which commercial fishing and shrimping is an established industry, to build or purchase municipal fish markets, and to borrow money and accept grants for such purpose from the Federal Government or any of its agencies, or to borrow money from any other sources and to issue revenue bonds or warrants therefor and secure the payment of the same

by mortgaging the physical property so acquired and the net revenues therefrom, and providing that such cities may stipulate with the lender that a purchaser at sale or foreclosure shall have a permit to operate the same in accordance with the laws then in effect regulating such industries; and providing that such markets may be improved, repaired or extended; and providing that the provisions of Article 2368-a, Revised Civil Statutes of Texas, with reference to notice, the right of referendum and competitive bidding shall be applicable to all projects financed under this Act; and providing that the revenue warrants or bonds issued hereunder shall have stamped or written thereon that the holder thereof never shall be entitled to demand the payment of such bonds or warrants out of any funds raised or to be raised by taxation, and declaring an emergency."

The Chair laid the bill before the House, and it was read second time.

Mr. Hartzog offered the following amendments to the bill:

(1)

Amend House Bill No. 67 by striking out all below the enacting clause, and inserting in lieu thereof the following:

"Section 1. That any city in this State with a population of over one thousand (1,000) people located on the coast of Texas, or any gulf, bay or inlet, or within five (5) miles thereof, and in which commercial fishing and shrimping is an established industry, shall have the power to purchase and/or build a municipal fish market for the purpose of encouraging, developing and standardizing the fishing and shrimping industry, which among other services shall have sanitary facilities and equipment for cleaning, packing, shucking, canning and cold storage of shrimp, oysters and other sea food, and any such city shall have the right to borrow money (and subject to the restrictions prescribed in Section 2 hereof to borrow money and to accept grants, either or both, from the United States of America or any agency thereof) for the purpose of building, purchasing or acquiring a municipal fish market and the necessary real property to be used as a site therefor; that any such city shall have the power to procure the

funds for such purpose by issuing its revenue bonds or revenue notes for such purpose, and to secure the payment of such revenue bonds or revenue notes by mortgaging the physical properties so acquired; or to be acquired, and pledging the net revenues received therefrom, and by the terms of the encumbrance may grant to the purchaser under sale or foreclosure a permit to operate the same subject to such laws as may then be in force regulating the operation of such industry, or may secure the revenue bonds or notes by pledge of revenues without a mortgage of the physical properties; such revenue bonds or revenue notes shall bear interest at a rate fixed by the governing body of such city not to exceed 6% per annum, and shall mature serially in such installments as may be fixed by said governing body within 40 years from their date, and at the option of the holder may be registered as to principal only. Such obligations as may be incurred under the terms of this Act shall never be a debt of such city but solely a charge upon the property so encumbered and the revenues therefrom, and such obligation shall never be reckoned in determining the power of such city to issue any bonds for a purpose authorized by law.

"Sec. 2. No such city shall have authority to accept a loan and grant, either or both, from the United States of America or any agencies thereof, for such purpose, except subject to the following conditions: (a) the construction of the market must be approved by the Health Department of the State of Texas, as conducive to the health of the people of the State who consume food products from Texas coast waters; (b) the construction of the market must be approved by the Game, Fish, and Oyster Commission, as feasible, and of economic importance to the fishing industry generally, in the entire district to be served by the market, as distinguished from the local or civic benefits to be derived therefrom by such city, and that the economic need for such project is not already adequately met by some other or similar institution accessible to the district to be served; (c) any such market shall be and shall remain subject to such rules and regulations as to health and sanitation as shall be prescribed by the State Health Department and by all agencies and de-

partments of the United States of America having power to impose such rules and regulations.

"Sec. 3. All revenue bonds and all revenue notes issued hereunder shall be considered and held to be negotiable under the Negotiable Instruments Law heretofore enacted by the Legislature of the State of Texas.

"Sec. 4. The expense of operating and maintaining any such market, including all salaries, labor, materials and repairs necessary to permit such market to render efficient service shall always be a first lien and charge against the revenues received from its operation. All of the gross revenues from the operation of such market, after the payment of such maintenance and operating expenses shall be pledged and used exclusively to the payment of the principal and interest of such bonds or notes. Provided, if in the judgment of the governing body of such city it is necessary to extend or enlarge such market, the city is authorized to make a junior pledge of the revenues of such market and of the extension to be constructed. In the event such subsequent pledge is made it shall be inferior in all respects to the pledge theretofore made, and the city may issue such junior revenue bonds or notes having interest rates, maturities and covenants as herein prescribed for the first issue of such bonds or notes. The city shall establish, deposit, and secure the special funds to facilitate the payment of the principal and interest of all of such bonds and/or notes. It is the intent of this Act that all of the revenues from the operation of such market, after paying maintenance and operating expenses, shall be used for debt service, and the surplus, if any, shall be used to buy in and cancel such revenue bonds or revenue notes before maturity or in the alternative shall be invested in such securities as shall be prescribed in the contracts under which money for such construction of such market may be furnished to the city.

"Sec. 5. Cities and towns building municipal fish markets under the provisions of this Act shall be governed by the provisions of Article 2368-a, Revised Civil Statutes of Texas, with reference to notice, right of referendum, and competitive bidding.

"Sec. 6. Any and all revenue bonds and revenue notes issued pursuant to the provisions of this Act shall have

stamped or printed thereon the following: "The holder hereof shall never have the right to demand payment out of any funds raised or to be raised by taxation."

"Sec. 7. The fact that there is no adequate law permitting cities having fishing and shrimping industries to mortgage or encumber municipal fish markets and the revenues therefrom, the fact that recent tropical storms have destroyed existing markets along the Texas coast, and the fact that the health of the citizens of Texas will be safeguarded through the passage of this Act, and prosperity restored along the storm-stricken coast through the rebuilding of the fishing industry, thus providing work and labor opportunities for the unemployed, create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read in each House on three several days, be suspended, and the same is hereby suspended, and that this Act be effective immediately from and after its passage, and it is so enacted."

(2)

Amend House Bill No. 67 by striking out all above the enacting clause, and inserting in lieu thereof the following:

H. B. No. 67, A bill to be entitled "An Act authorizing cities of more than one thousand (1,000) population on the coast of Texas, or any bay, inlet, and in which commercial fishing and shrimping is an established industry, to build or purchase municipal fish markets, and to borrow money therefor, evidencing such indebtedness by the issuance of revenue bonds or revenue notes, secured only by a pledge of the physical properties, revenues from, and an operating franchise, in event of foreclosure, on such properties, prescribing the conditions under which loans and grants for such purposes may be accepted from the United States of America or its agencies, prescribing the terms of such revenue bonds and notes, establishing their negotiability under the Uniform Negotiable Instruments Law, making provision for the creation of a fund to pay principal and interest of such revenue bonds and notes, making the provisions of Article 2368-a applicable to the issuance thereof and to the letting of all contracts in reference thereto, making provision that all such bonds and notes shall have

printed on them the declaration that the holder shall never have the right to demand payment out of moneys raised by taxation, and declaring an emergency."

The amendments were severally adopted.

House Bill No. 67 was then passed to engrossment by the following vote:

"(b) Shrimp trawl license, fee for each boat operating or towing a trawl more than ten feet wide at its mouth or more than twenty feet in length, fee fifteen dollars (\$15); which said license shall permit the use of a "try net" as auxiliary to said trawl.

"6. Seine or net license, to be of metal, for and to be firmly attached to each one hundred (100) feet or fraction thereof, fee one dollar (\$1) for each one hundred (100) feet of the length thereof.

"Provided no license shall be issued for any seine or net longer than eighteen hundred (1,800) feet, and also provided that after September 1, A. D. 1934, no license shall be issued for any seine or net, the meshes of which are less than one and one-half (1½) inches from knot to knot.

"7. Fish boat license, for boats equipped with a motor of any kind or with sails, fee three dollars (\$3).

"8. Skiff licenses, for boat propelled by oars or poles, to be of metal and firmly attached to skiff, fee one dollar (\$1).

"9. Oyster dredge license, fee fifteen dollars (\$15).

"10. Fish guide license, fee two dollars (\$2).

"11. Provided, that all retail fish dealers' licenses issued after September 1, A. D. 1934, and before the effective date of this Act may be returned to the Game, Fish, and Oyster Commission, and when so returned the Game, Fish, and Oyster Commission shall issue the new retail fish dealer's license in lieu thereof and a rebate shall be made of the difference in the cost of the new license and the old license. A claim shall be made for such rebate and when such claim is found to be correct and approved by the Executive Secretary of said Commission the same shall be paid out of any money available in the State Treasury upon warrant issued by the State Comptroller."

"Sec. 2 The fact that the recently enacted law providing a tax on retail

fish dealers is inequitable, as it permits the operation of many places of business under one license and yet requires a license of a person operating only one place of business and thereby discriminates in favor of the chain stores, creates an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three several days in each House, be suspended, and the same is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted."

Mr. Hartzog offered the following amendment to the amendment:

Amend amendment to House Bill No. 31 by striking out Subsection 2, of Section 3, and inserting a new Subsection 2 under Section 3, to read as follows:

"2. (a) Wholesale fish dealer license, fee two hundred dollars (\$200) for each place of business.

"(b) Limited wholesale fish dealer license, fee one hundred dollars (\$100) for each place of business, which license shall limit the holder to the privilege of buying fresh or frozen edible aquatic commercial products for the purpose of resale and shipment.

"(c) Provided that such wholesale dealer licenses shall entitle the holder thereof to wholesale or retail such marine products from a single truck or vehicle. For each additional truck or vehicle, there shall be paid a fee of twenty-five dollars (\$25)."

The amendment was adopted.

The amendment as amended was then adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and to the body of the bill.

House Bill No. 31 was then passed to engrossment.
